**C. How to order:**

1. Send an email to Marty at [mbergen@mindspring.com](mailto:mbergen@mindspring.com). Include all of the following:

- List of desired titles (or numbers).
- Your name + mailing address.
- Phone number (if in North America).
- Booklet numbers (for order of \$30+).
- Personalization if desired. Please be specific.
- All payment info (see the following).

2. Regarding payment:

Indicate whether you wish to pay with a Paypal payment to my email address, or a credit card.

If a credit card, and you're confident I already have your correct info,

please say so and include the last 4 digits of the card.

If willing to put your credit card # and expiration date in email, please do.

**D. Bridge tips**

After partner's 1NT rebid, if you are a passed hand (PH):

1. You should NEVER raise to 2NT.
2. Your partnership should NOT define a bid in an unbid minor as New Minor Forcing (NMF).

Why?

a. Chances for game are virtually nonexistent.

Keep in mind: opener could have fewer than 12 HCP.

With a hand such as ♠K 6 5 ♥5 2 ♦A Q 9 8 ♣Q 9 6 5,  
it's normal to open 1♦ in 3rd seat and then rebid 1NT after a 1♥  
response.

b. If you had sensibly passed a very ugly 12 HCP hand like ♠K J 3 ♥Q  
7 4 3 ♦J 5 3 ♣K Q 2,

do you really want to try for game now?

Even if opener happened to have 14 HCP with a hand such as ♠A Q  
9 ♥J 8 2 ♦Q 6 4 2 ♣A J 10,

note that after the likely spade lead, you would not be confident of  
even 7 tricks!

c. If you had a nice, shapely hand with a 5-card major where game is still  
possible even after opener rebid 1NT, you should have opened.

d. If you have a 5-5 type hand where game is still possible, you can invite  
with a jump.

e. Imagine that your side's auction began:

Pass 1♦  
1♠ 1NT  
???

Wouldn't it be nice to bid a natural nonforcing 2♣ here with hands like

the following:

♠10 6 5 4 3    ♥J    ♦K 6    ♣Q J 9 7 6

♠A Q 10 4    ♥7 2    ♦J    ♣J 7 6 5 4 2

♠K J 9 3    ♥6    ♦7 6 4    ♣K 10 9 6 5
